

## **Toyota Landcruiser Club - 2010 CruiserKhana**

The Toyota Landcruiser Club of Australia (Victorian Branch) – **TLCC Vic** has for many years, run a 4WD event open to the public and other clubs, at our property near Yarck (in central Victoria) - less than 2 hours from Melbourne.

**CruiserKhana** is a skill based event, for novices as well as more experienced 4WD'ers in the Standard and Touring categories, as well as spectators.

Entry into **CruiserKhana 2010** covers competition entry, camping and a catered 3 course meal on Saturday night. There is provision for family entry, spectator and day visitors as well.

**CruiserKhana 2010** will be held 17 - 18 April 2010 and will make a great weekend trip for Club members. Saturday is the main competition day, with additional optional events on Sunday. Hot & cold food will be available from the kiosk all day on Saturday.

**CruiserKhana 2010** will have 11 events. Some of these events require navigation, timing and other skills to obtain a good result. **TLCC Vic** has obtained major prizes from prominent sponsors.

**Vehicle specifications** are basically those required by the Cross Country Drivers Association (with some minor allowances), so huge vehicle modifications are not permitted (Refer to the attached specifications).

**TLCC Vic** is keen to introduce an Inter Club Perpetual Trophy to build on some of that competitive spirit and bragging rights.

### **Events include**

- Plumb Bob
- Flag slalom
- Staircase
- Cross country
- Tyre road
- Balance beam
- Water Crossing
- Stump climb
- Timber challenge
- Sand trap
